The Andhra Pradesh Police Officer's Association has stated that the Police in a democratic polity, perform multiple and complex tasks. Towards this objective, the Police have to be an effective organization for the prevention, investigation and detection of crime, maintenance of Law and Order, protection of lives, liberties, and honor and possessions of the people. In performing this role, the police must maintain highest standards of integrity, professionalism and service orientation while acting within the frame work of the constitution and laws and the land.

It is represented that this category was on par with SGT Teacher up to 1978 revision, the same was disturbed in subsequent revision. Hence, it is requested to enhance the pay scale to Rs.10900-31550 on par with Secondary Grade Teacher of School Education. It is also stated that the PRC 2010 assigned the pay scale of Rs.8440-24950, against the pay scale of Rs.4825-10845 (2005). It is brought noticed that the pay scale of Police Constable /Jr. Assistant who are drawing pay of Rs.4825 in 2005 revision are fixed at Rs.8440/- in 2010 revision. For those Constables who are appointed after 01-07-2008 and who are junior to them, their pay was fixed at Rs.8440 with effect from 01-07-2008. As a result of which, both the senior and junior were in the same stage in the revised pay scales of 2010. Hence, it is requested for sanction of service weightage increments to rectify the above anomaly. It is also stated that they were deprived of promotion even after completion of 8, 16 and 24 years under Automatic Advancement Scheme, due to their increments are not being sanctioned in the probation period. In order to mitigate the problems, it is requested for fixation of 2 weightage increments.

Following is the progression of pay scales for this post and comparable post.

Finger Print Bureau:

The Finger Print Bureau of Police Department is playing a vital role in giving accurate information about criminals and offenders to the various investigating agencies. - 21. Police Constable (Finger Print Bureau - Photography) (formerly known as Finger Print photo cleaner) : Rs.8440-24950**
 No. of posts : 1

No representation.

This category is filled by transfer from other equivalent categories of Police Department, if no qualified or suitable person is available by transfer, then it is filled by direct recruitment. The qualification prescribed for the direct recruitment is a pass in SSC and experience in developing, printing and cleaning and drying of both black and white and colour films for a minimum period of one year. This category forms feeder category to the post of F.P. Assistant Sub-Inspector of Police (Photography) (Rs.10020-29200). The following pay scales are assigned in the successive PRCs.

Category	1986	1993	1999	2005	2010
	(Rs.)				
Police Constable (FPB) / (Photography) (formerly known as Finger Print Photo Cleaner)	780-1275	1475-2675	2990-5810 (on par with Police Constable)	4825-10845	8440-24950

The PRC 2010 found that the request to sanction a higher pay scale had no rational basis as the educational qualifications required are only a pass in SSC. Hence, the corresponding pay scale of Rs.8440-24950 was recommended.

Considering the parity with Police Constable, the Commission assigns to this category a pay scale of Rs.16400-49870 corresponding to Rs.8440-24950.

- 22. F.P. Assistant Sub Inspector (Photography) : Rs.10020-29200**
 No. of posts : 1

No representation. However, it is requested by the A.P. Police Officers Association, to re-designate this category as Sub-Inspector of Police (FPB).

This category is filled in by promotion from Police Constable (FPB-Photography). If no person is eligible for promotion by transfer of persons holding equivalent or comparable scales of pay. This category is also filled in by direct recruitment. The qualification prescribed for direct recruitment is a pass in Intermediate and a Degree from JNTU in photography with one year practical experience and ability to read and write in Telugu. This category forms the feeder category to the post of Sub-Inspector of Police (FPB-Photography) (Rs.14860-39540).

This category represented to PRC 2010 for a pay scale of Rs.7200-16925. It is observed by the PRC 2010 that for some strange and inexplicable reason the post of Assistant Sub Inspector (Photography) and the Police Constable carried the same scale of pay i.e., Rs.4825-10845 (2005). The feeder category for this post is Police Constable who was in the same scale as F.P. A.S.I. To remove this anomaly, the PRC assigned a revised pay scale of Rs.10020-29200, thus improved by three stages.

In view of the above position, the Commission assigns to this category a pay scale of Rs.19500-58330 corresponding to Rs.10020-29200.

Another request is for conferring Gazetted status to the post of Inspector of Police (FPB). This request does not come under the purview of the PRC.

23. Director (FPB)	:	Rs.27000-51760
No. of posts	:	1

However, this category is allowed a pay scale of Rs.27000-51760 on par with Additional Superintendent of Police. Further stated that this category is having State wide jurisdiction and control over the staff of FPB in the State.

The category of Director (FPB) is filled by promotion from Deputy Superintendent of Police (FPB) and one must have put in not less than 5 years of service in the category of Deputy Superintendent of Police. This category is having parity with Additional Superintendent of Police (non-cadre) (Rs.14600-29250) in 2005 revision. Hence PRC 2010 recommended a pay scale of Rs.27000-51760 on par with Additional Superintendent of Police (Non-Cadre).

The Commission assigns to this category a pay scale of Rs.52590-103290 corresponding to Rs.27000-51760 on par with Additional Superintendent of Police (non-cadre).

No. of Posts	:	1425

It is stated that for Junior Assistant in the office of the Head of the Departments and Director General A.P. Special Protection Force, the minimum

qualification is a Degree, whereas for Junior Assistant of the Subordinate Offices is Intermediate. The duties and responsibilities of Junior Assistant working in Head of the Departments are higher than that of the Junior Assistants working in the Subordinate Offices. Hence request is for higher pay scale of Rs.10900-31550 to this category.

The Commission assigns to this category a pay scale of Rs.16400-49870 corresponding to Rs.8440-24950 on par with the Junior Assistant working under common category in all other departments.

Assistant Section Officer (Secretariat)	1230-2330	2375-5040	4550-9600	6675-15500	12910-36700	Asst. cum Typist (Rs.9460-27700) or Junior Stenographer (Rs.9460-27700)	Section Officer (Rs.18030-43630)

This category is not having parity with Assistant Section Officer in successive PRCs including 2010 revision.

Comparison with Assistant Section Officer in Secretariat is not appropriate, as the duties and responsibilities are different. The Commission assigns to this category a pay scale of Rs.22460-66330 corresponding to Rs.11530-33200 on par with the Senior Assistant under common category working in all other departments, thus improved by one stage.

26. Superintendent : Rs.14860-39540
 No. of posts : 318

Section Officer (Secretariat)	1550-3050	3110-6380	5980-12100	9285-21550	18030-43630	Assistant Section Officer (Rs.12910-36700)	Assistant Secretary to Government (Rs.23650-49360)

Comparison with Section Officer in Secretariat is not appropriate, as the duties and responsibilities are different. The Commission assigns to this category pay scale of Rs.28940-78910 corresponding to Rs.14860-39540 on par with the Superintendent working in all other Departments under common category.

22(b) PRISONS & CORRECTIONAL SERVICES DEPARTMENT

Andhra Pradesh Prisons Department came into existence on 1st November, 1956 after the re-organization of States by amalgamation of the then Hyderabad Prison Service and the Prisons Service of the then Andhra State. Presently, the Department has under its control 07- Central Prisons, 10- District Jails, 02-Open Air Jails, 04-Semi Open Prisons, 02-Special Prison for Women, 01-Borstal School and 121- Sub Jails. The persistent demand of the Staff and Officers of the Prisons Department has been parity of pay scales with the Staff and Officers of the Police Department. This request has been articulated on the basis of a number of Prison Reforms Committees which have gone into this issue. In particular, reference is made to Mulla Committee (1980-83), Kapoor Committee (1987) and Committee headed by Justice Sri I. Pandurangarao (1999). All these Committees have apparently recommended parity of pay scales of the Staff and Officers of Prisons Department with the corresponding categories of Police Department.

This issue of parity of pay scales between Police staff and the staff belonging to the Prisons Department and other Uniformed Services has been discussed extensively by the earlier PRCs.

1. Warder (Including Female Warder)	:	Rs.7960-23650

They require to perform duties round the clock among the hardcore Criminals, Naxalites, Dacoits, Lunatics, Mentally depressed and dangerous Prisoners while motivating them to become good citizens in the society after they are released from the jail. It is also represented that the qualifications of the Warder Category has been revised to Intermediate qualification on par with Police Constables, the duties and responsibilities and training of Warder and Police Constable are one and the same. Hence the request is to equate pay scale on par with Police Constable in Police Department.

Following is the progression of pay scales of this post and comparable post.

A.P. Prisons Officers Association, Hyderabad has represented seeking parity of the above categories with various categories of Police personnel. The parity of pay scales of Jail staff on par with Police Personnel has been sought on the basis recommendations of various Committees on Jail Reforms. This has however, not been accepted by successive PRCs.

The following are the details relating to the pay scales of various categories.

Deputy Jailor : Rs.13660-38570

The request is for parity with Sub-Inspector of Police (Rs.14860-39540). Another request is for conferring Gazetted status.

According to service rules, appointment to the category of Deputy Jailor is by direct recruitment and by promotion from Chief Head Warder and also by transfer of Senior Assistant in the department. This category has been representing to the successive PRCs seeking parity with Sub-Inspector of Police, the same has not been accepted.

The following is the progression of the pay scales of Deputy Jailor / Sub-Inspector of Police.

Category	1978	1986	1993	1999	2005	2010
	Rs.					
Deputy Jailor	550-900	1230-2330 (3 stages)	2375-5040 (one stage)	4550-9600 (C.S.)	6675-15500 (C.S.)	13660-38570 (three stages)

Taking all factors into consideration, the Commission is of the view that the post of Deputy Jailor cannot be equated with Sub-Inspector of State Police for the purpose of pay fixation.

(Fire) qualification are available, candidates with degree in any discipline are considered. Divisional Fire Officer is the first level Gazetted post in the department.

From 1986 revision onwards, this category is assigned pay scale different from that of Deputy Superintendent of Police. Keeping in view of the duties and responsibilities, the Commission is of the view that the existing pay scale of this category is adequate and accordingly assigns to it a pay scale of Rs.37100-91450, corresponding to Rs.19050-45850.

6. Regional Fire Officer	:	Rs.25600 – 50560
No. of Posts	:	8

As per service rules, this category is filled by promotion from the category of District Fire Officer and must have passed in Station Officers and Divisional Fire Officers course of the National Fire Service College of the Government of India.

Comparison with Superintendent of Police (non-cadre) is not appropriate, as the duties and responsibilities, area of supervision/jurisdiction of the two categories are entirely different. The Commission considers the present scale of pay to this category to be adequate and assigns to it a pay scale of Rs.49870-100770 corresponding to Rs.25600 – 50560.

7. Additional Director	:	Rs.31550 – 53060
No. of posts	:	2

It is requested for a higher pay scale of Rs.34050–54360 on par with DIG of Police (non-cadre).

As per service rules, this category is filled by promotion from the category of Regional Fire Officer. This category was created in the pay scale of Rs.5770-9260 in 1993 pay scales and assigned a corresponding pay scale of Rs.10950-17575 in 1999 revision. The PRC 2005 assigned a corresponding pay scale of Rs.16925-30765. This category did not represent to the 2010 revision, and assigned a revised pay scale of Rs.31550-53060, thus benefitted by one stage.

Keeping in view the functions and responsibilities of this category, the Commission considers the existing pay scale to be adequate and therefore assigns to it a pay scale of Rs.61450-105810, corresponding to Rs.31550-53060.

8. Director of Fire Services	:	Rs.31550-53060
No. of posts	:	2

It is represented that in revised pay scales 2010, it was mentioned that Director of Fire Services is a cadre post. At present, both this category of Director and Addl. Director of Fire Services are drawing the same pay scale of Rs.31550-53060. In view of the above position, request is to assign a pay scale of Rs.37600-54360 on par with Inspector General of Police (non-cadre).

As per service rules, issued in G.O.Ms.No.413, Home (Prison-A) Department, dated.23.03.1994, this category is filled by promotion from the category of Additional Director. This category was in the pay scale of Rs.1700-2250 in 1978 revision and was assigned a revised pay scale of Rs.3090-5140 in 1986 revision on par with Additional Director of other Departments. It was clearly mentioned that whenever Departmental Officers filled this post, he was

entitled for pay scale on par with Additional Directors of other Departments, thus benefitted by three stages.

In view of the above, Commission notices that the post of Director of Fire Services is now held by the Departmental Officer, both the feeder category i.e., Additional Director and promotion category i.e., Director of Fire Services are drawing the same pay scale of Rs.31550-53060. Keeping in view of this, the Commission assigns to this category i.e., Director of Fire Services a pay scale of Rs.66330-108330, corresponding to Rs.34050-54360, thus benefitted by one stage.

22(d) PRINTING STATIONERY AND STORES PURCHASE DEPARTMENT

The Printing and Stationery Department consists of three wings, namely Printing, Stationery and Stores Purchase. The Department has four major administrative units viz., the Government Central Press, the Secretariat Press at Hyderabad, and the Government Regional Press at Kurnool and Government Central Press at Vijayawada. In addition, the Department also operates from the premises of the Legislative Assembly and Commissionerate of Family Welfare to cater to their specific requirements. There is a Publication Bureau. It is a Centralized agency for sale and distribution of all standard forms, Registers, State and Central Publication and Government Gazettes. In addition, the Bureau prints diaries and calendars every year and distributes them to VIPs. Further, it supplies codes, manuals, State Administration Reports to all the Government Departments and Government Organizations.

The Department is headed by the Commissioner, a Cadre Officer. Further to assist the Commissioner, there are one Additional Director, three Assistant Directors in charge of Stores Purchase, Stationery and Administration, a Chief Accounts Officer and other supporting categories in the Commissionerate. The printing units at Government Central Press, Hyderabad and the Regional Printing Presses at Kurnool and Vijayawada are headed by Deputy General Managers (Works). The Manager Secretariat Press works under the supervision and control of the Commissioner. The majority of the employees in the department belong to technical categories spread over 24 sections; each section headed by an Assistant Manager (formerly known as Foreman).

There are 186 categories in the department. The general representation made on behalf of the employees of the department is that, this is a technical department and the nature of duties of the various categories in this department is different from that of the normal government employees and they are required to be technically assessed by assigning appropriate scales. Their main grievance is that the anomalies which allegedly arose out of the revisions made in 1986, 1993, 1999, 2005 and 2010 have not been rectified. One of the grievances of the employees is that lower qualifications are prescribed for the posts and this is resulting in these categories being assigned lower pay scales by the successive Pay Revision Commissioners.

The requests for higher scales have been examined by grouping the categories into thirteen groups. The categories carrying same scale are grouped as one category for this purpose. The Commission does not want to disturb the well-established equities and parities evolved over years. Hence, the existing classification is continued. At the same time, we keep in view the amendments in service rules issued subsequent to the last Pay Revision and the effect of the implementation of the recommendations of the Anomalies Committee while making these recommendations.

Generally, ITI is the minimum qualifications for the technical categories. However, the Commission notes that the minimum qualification of 7th class is

prescribed for many of the categories. At this stage, the qualifications cannot be enhanced or the employees at the advanced age cannot improve their qualifications. Therefore, the Commission is convinced that with the experience gained during the last two decades, the employees can stand on par with those who possess the ITI qualifications.

No. of posts	:	1097

It is represented that the cadre strength of Extension Officers are 1097 posts in Panchayat Raj & Rural Development Department, having a pay scale of Rs.14860-39540. This post was Zonal and under purview of APPSC with direct recruitment as well as promotion channels to Panchayat Secretary Grade-I working under administrative control of Mandal Parishad Development Officer, in Mandal Praja Parishad office, and exercise supervision and control and provides guidance to the Gram Panchayats and their Executive authorities within the jurisdiction of Mandal.

It is stated that in 2010 revision, EO (PR&RD) was allowed a pay scale of Rs.14860-39540. The VDOs Gr-I (Panchayat Secretary) & EO, Gr-I (Panchayat Secretary) were also given the same scale. The post of EO (PR&RD) is a promotion post to both VDOs Gr-I & E.Os Gr-I, but the promotion post and feeder category posts were given same pay scale. The pay scale of EO/PR&RD should be higher than that of the VDOs Gr-I & Executive Officers Gr-I.

Request is for assigning a higher pay scale Rs.16150-42590 on par with Mandal Educational Officer of School Education Department and Mandal Assistant Engineer.

Following is the progression of pay scales for this post and comparable posts.

Category	1986	1993	1999	2005	2010	Feeder category	Promotion category

The post of Panchayat Secretary Grade-I is the feeder category to the post of Extension Officer (PR&RD). Both posts are having same scale of pay i.e., Rs.14860-39540 which is anomaly. The Panchayat Secretary on completion of 12 years of service is being appointed to the Special Grade promotion post in the scale of pay. Hence, the Commissioner to Panchayat Raj has recommended to enhance the pay scale of Extension Officer (PR & RD) to that of Rs.16150-42590 or next higher scale Rs.15280-40510.

Keeping in view the disparity in the scales of feeder category and this post, the Commission assigns to this category a pay scale of Rs.29760-80930 corresponding to Rs.15280-40510, thus improved by one stage.

**7. Mandal Parishad Development Officer : Rs.16150-42590
(Mandal Praja Parishad)**

No. of posts : 1097

It is stated that the post of MPDO is one of the feeder category for promotion to the post of Deputy CEO, ZPP along with DPO. But the PRC 2010 assigned pay scale of Rs.16150-42590 on par with other Mandal level Officers. The MPDO is the only post at Mandal level is being recruited through Group-I Services Exam and its role and responsibilities are increased manifold in comparison with the post of DPO or other Mandal level Officers.

Further represented that District Panchayat Officer is also appointed as Deputy Chief Executive Officer along with MPDO. The above category was in the pay scale of Rs.10285-24200 in 2005 scales and assigned a higher pay scale of Rs.19050-45850 in 2010 revision. Thus benefited by one stage, whereas this category was assigned a corresponding pay scale of Rs.16150-42590. Both this category and District Panchayat Officer are Group-I services posts and both are not subordinate to each other. While DPO and MPDO posts are having same feeder category posts to Deputy CEO Post for promotion. But pay scale of MPDO post is two steps lower than the pay scale of DPO. Even though the DPO post is District Level Post, is mainly confined to supervisory and regulatory function of Gram Panchayat, whereas the nature of activity of MPDO post is larger and detailed executive in nature covering Gram Panchayat, Mandal Parishad and many other development and welfare activities besides coordinating most of the departments at Mandal level as a team leader.

Even though, there are 1097 MPDOs and they are having meager promotional avenues at Mandal. Majority of them i.e., 984 retired without any promotion.

In view of the above, request is for a higher pay scale of Rs.19050-45850 and some Associations also requested for pay scale of Rs.18030-43630 on par with Assistant Directors in other Departments.

Following is the progression of pay scales for this post and comparable posts.

According to service rules, this category is filled in by direct recruitment through Group-I Services. Must possess a Bachelor Degree and by transfer from the category of Extension Officer (PR & RD), Superintendents of Zilla Parishad and Mandal Parishads, Assistant Section Officers/Senior Stenographers of Secretariat other than Finance and Law Departments.

Compared to all Group-I cadre posts, MPDO post has fewer promotion prosperity as on today. Moreover, the existing pay scale is not commensurate with the increasing burden of duties. As a result, the present MPDO's are demoralized and discouraged. Further, the Commissioner of Panchayat Raj has recommended that the post of Mandal Parishad Development Officer be treated on par with Assistant Director of Technical Education and Animal Husbandry Department i.e., the pay scale of Rs.19050-45850 & Rs.20680-46960.

Keeping in view of the nature of duties and responsibilities of this category and also the well-established parities with other services, the Commission assigns a pay scale of Rs.35120-87130 corresponding to Rs.18030-43630, thus improved by one stage.

7. Deputy Chief Executive Officer : Rs.19050-45850
(Zilla Praja Parishad)
 No. of posts : 22

It is represented that the pay scale of this post was on par with Deputy Collector (RDO)/Deputy Director in 2005 pay revision, but PRC 2010 allowed a pay scale of Rs.19050-45850 to this category, which was less than the pay scale of Deputy Collector (RDO) (Rs.20680-46960). Request is for assigning a higher pay scale of Rs.20680-46960 on par with Deputy Collector/RDO.

Following is the progression of pay scales for this post and comparable post.

the Accounts Tests for Sub-ordinate Officers part-I&II or Accounts Tests for Local Body Employees part-I&II or Accounts Tests for Executive Officers.

The Commissioner of Panchayat Raj has recommended that the post of Deputy Chief Executive Officer, Zilla Praja Parishad is may be treated on par with Deputy Director of Technical Department like Animal Husbandry i.e., in the pay scale of Rs.25600-50560.

Keeping in view disparity in the pay scales between this category and feeder post of District Panchayat Officer, the Commission assigns a revised pay scale of Rs.42490-96110 corresponding to Rs.21820-48160 to this category, thus improved by two stages.

8. Chief Executive Officer : Rs.25600-50560
(Zilla Praja Parishad)
 No. of posts : 22

It is stated that 11 posts of CEO, ZPP are earmarked for I.A.S. and part of the State cadre strength of the IAS. But, the pay scale of Chief Executive Officer, ZPP is fixed at Rs.25600-50560 in 2010 revision, whereas Special Grade Deputy Collector (DRO) was assigned a higher pay scale of Rs.27000-51560.

It is further stated that as per the Rule-3 of the AP PR&RD Service Rules, Special Grade Deputy Collector is one of the eligible posts to officiate the post of CEO, ZPP in case of non-availability of I.A.S. Officers, the same was not considered and this category was assigned a lower pay scale of Rs.25600-50560. Further this category is having a parity with Special Grade Deputy Collector in 2005 revision i.e., Rs.14600-29250 and the same was disturbed in 2010 revision.

Request is for assigning a higher pay scale of Rs.27000-51760 on par with Special Grade Deputy Collector/ District Revenue Officer in Revenue Department.

Following is the progression of pay scales for this post and comparable post.

According to service rules, this category is filled in by promotion from Deputy Chief Executive Officer and must have passed the Accounts Tests for Sub-ordinate Officers part-I&II or Accounts Tests for Local Body Employees part-I&II or Accounts Tests for Executive Officers. As per rules, 50% of the Chief Executive Officer posts are earmarked for IAS Officers. The remaining posts including the Principal, VDOs Training Centres are filled in by promotion from the category of Deputy Chief Executive Officer.

The Commissioner of Panchayat Raj has recommended that the post of Chief Executive Officer is on par with Joint Collector (non-cadre) i.e., in the pay scale of Rs.27000-51760.

The Commission notices that this category is having parity with Special Grade Deputy Collector (DRO) and therefore, recommends the scale of Rs.52590-103290 corresponding to Rs.27000-51760 to this category on par with Special Grade Deputy Collector (DRO).

PLANNING DEPARTMENT

30 (a).DIRECTORATE OF ECONOMICS AND STATISTICS DEPARTMENT

The Bureau of Economics and Statistics, Andhra Pradesh was established in 1956 and renamed as the Directorate of Economics and Statistics in 1990. The Directorate is the centralized Statistical Organization of the State for systematic collection, compilation, analysis and interpretation of statistical data over a vast range of sectors relating to the State economy. The Directorate operates as a three tier system viz., Head Office, District Offices and Mandal Offices. Directorate is headed by a Director and supported by Joint Directors, Deputy Directors, Assistant Directors, Statistical Officers, Deputy Statistical Officers, Assistant Statistical Officers and the Ministerial staff. The Chief Planning Officer in the rank of Deputy Director is at the helm of affairs at District level. He is supported by one Assistant Director and one Statistical Officer. The Deputy Statistical Officer is stationed at the Offices of Revenue Divisional Offices and the Assistant Statistical Officer is stationed at the Mandal Revenue Offices.

The Commission notes that there are statistical wings in a number of Head of Departments. It is therefore, desirable to bring parities among the various categories of posts in Statistical wings in various departments with the posts in the department of Economics and Statistics instead of comparing these posts with the other posts in those departments.

1. Assistant Statistical Officer	:	Rs.11530-33200
No. of posts	:	1270

It is represented that the duties of Asst. Statistical Officer are collecting state wise daily rainfall, monthly rainfall, weekly season and crop report and other related statistics. He is the key functionary at Mandal level and is Supervisory Officer over Panchayat Secretary and a Computer System Administrator.

It is stated that this category is a Supervisory officer over Agriculture Extension Officer Grade-II for conducting of crop cutting experiments at Mandal level and is assigned the same pay of Rs.11530-33200 in 2010 revision. In fact this category was in higher pay of Rs.6505-15025 in 2005 revision which creates anomalous situation. It is further stated that the Deputy Tahsildar of Revenue Dept., and Superintendent of Panchayat Raj (MPDOs Office) are filled by promotion from the feeder categories i.e., Senior Assistant and the duties of the above categories are purely ministerial in nature, whereas the duties of this category are Technical and executive. This category coordinates with other departments at Mandal level for the collection of reliable data on different parameters. Hence, request is for assigning a higher pay scale of Rs.14860-39540 instead of Rs.11530-33200.

Following is the progression of pay scales of this category and comparable posts:

Comparison with the above categories is not appropriate, as duties and responsibilities are different. However, considering the role and responsibilities of this category at the Mandal level, the Commission assigns to this category a pay scale of Rs.24440-71510, corresponding to Rs.12550-35800 to it, thus improved by two stages.

The aspects of Risk Allowance/Coverage of insurance/Special Pay Allowance will be dealt with in the relevant chapters of Volume-I.

9. Additional Joint Collectors : Rs.25600-50560
(non cadre) (Schedule-I Scale)
 No. of posts :

It is requested that a distinct and separate scale of Rs.37600-54360 on par with Joint Secretary to Government (non cadre) be given to the post of Additional Joint Collectors which is being held by the Special Grade Deputy Collectors in the APCS (Executive Branch) Rules 1992 for the following reasons:

1. 22 posts of Additional Joint Collectors (Non Cadre) were created in one post for each District except in Ranga Reddy District in the time scale of Rs.14600-29250 with a view to strengthen the District Administration

by expediting regulatory and development functions at District Level. They are authorized to exercise the powers vested with the District Collectors/Joint Collectors/District Revenue Officers by or under laws including the new subject on implementation of Koneru Ranga Rao Committee recommendations, which was however allocated subsequently to the Joint Collectors.

2. Similarly(10)posts of Special Collectors in the State are also being manned by the Special Grade Deputy Collectors in the APCS (Executive Branch) Rules 1992 which were hither to manned by the State Cadre Officers, without change in their functions.
3. The time scale of pay of Special Grade Deputy Collectors is Rs.27000-51760 and the Personnel working in the posts of Additional Joint Collectors are drawing the same scale of pay, though they were attached with higher responsibilities.
4. In absence of distinct and separate pay scale, no seniority being followed in the category of Special Grade Deputy Collectors while making postings of the personnel and in the process a Senior Officer is working under the control of a Junior resulting in demoralizations among the Officers.
5. This category is in Supervisory Cadre to monitor and review the performance of the works of the District Heads of Agriculture, Animal Husbandry, Fisheries, Welfare Departments, Housing and Medical and Health Departments, who are in the above time scales of pay of Additional Joint Collectors. On account of this infringement, while discharging his duties by the Additional Joint Collector internal egos and psychological embracement are noticed oftenly between him and District Heads of other Departments at District Level.

As per G.O.Ms.No.282, Finance (SMPC) Department, dated.19.11.2009, 22 posts of Additional Joint Collector (Non-cadre) were created one post in each District, except in Ranga Reddy District, in the scale of pay of Rs.14600-29250. It is submitted that Machinist & Moulder must be a trained operator having the knowledge in all aspects of the machine tools such as Lathe, Shaping, Milling, Drilling and Grinding Machines. He should know the nomenclature, the working mechanism of each part, control, automatic arrangements etc. In addition to that he must know about the Hand Tools, Precision Tools, Cutters, Cutting Tools etc., required for efficient works, where as the other trades such as Fitter, Turner, Welder, Electrician in only meant for specific work. Thus the mechanist trade is called as father of the other trades and also Moulder trade was basically and mother trade in technical industries i.e., Moulder Trades Man prepared moulds of gear boxes, gear wells, rope drums etc., and molten cast, iron metal in pouring requiring Moulds in the temperature of 1700 degree centigrade. Because of the Moulder trade is the most important in technical industries. Hence non-inclusion such of the important categories i.e., Mechanist & Moulder are in the new common categories is injustice.

Request is for include the Machinist and Moulder categories in new common categories and extend the benefit from RPS 1986 onwards notionally on par with other new common categories, such as Fitter, Turner, Machinist, Moulder, Welder and Electrician having same I.T.I. qualification.

Keeping in view of the above, the Commission considers that the existing scale of this category is adequate and assigns to it a pay scale of Rs.18400-55410 corresponding to Rs.9460-27700.
